

Dear members of the ThéCell Network,

First of all, we wish you a Happy New Year!

As the year begins, ThéCell is preparing for its renewal application in the FRQS Thematic Networks competition. We invite you to share with us your ideas for the future of the network, and we will keep you informed of the new features we wish to develop with you!

For member-researchers who did not complete the survey this fall, it is still possible to do so [here](#)!

You will find in this edition of the ThéCell newsletter 4 sections:

1. Structuring Projects 2023-2024
2. The Student Initiatives Committee is recruiting!
3. Deadlines for Student Programs
4. Available positions

Please contact us if you have any information to share!

Have a nice day,
